Re: Great Lakes System Navigational Improvements Study

Dear Mr. Long:

I would like to be placed on the list to receive notice of any public documents, comment periods or public meetings pertaining to the Great Lakes System Navigational Study.

I have been a property owner on Wellesley Island, New York for many years, and I have just recently learned that Congress has authorized a study of the navigational system including the St. Lawrence River on which I and my family live. Given the magnitude of the potential decisions that will directly effect me, I would respectfully request that notices be sent to me at the following address:

Robert G. Lamb, Jr.
45134 Co. Rt. 100A
Wellesley Island, New York 13640

I thank you for your consideration.

Very truly yours,

Robert G. Lamb, Jr.
